

Religious Education

CCD

Children of the parish who attend public schools for Preschool through Grade 8 meet weekly throughout the school year for Religious Education classes. These CCD classes are held on Sunday mornings after the 9:45 AM Mass from 10:55 AM to 12:30 PM. through the months of September until May.

Classes consist of catechesis using materials approved by the Youngstown Diocese and all teachers and adult aides in are in compliance with the Diocesan Child Protection Policy.

Our goal is to offer each child the opportunity to grow in their faith as the parish attempts to support and supplement the faith that is being nurtured in the home. We offer age appropriate materials and activities with an emphasis on Scripture, prayer, the sacraments, and the Liturgical life of the Church.

Contact the DRE for more information. The form below is used for registration for the weekly classes.
